

McKinley Park Underage Drinking and Other Substances Prevention Coalition (McK-UDOS)

McK-UDOS was founded as a coalition in 2014 under Midwest Asian Health Association (MAHA)

Our Vision

To promote a healthy and drug-free environment for our children and families in McKinley Park and surrounding neighborhoods of Chicago

Youth will

- Develop resources to reduce risk-taking behaviors
- Assess community needs and resources
- Implement program activities
- Support effective, culturally appropriate activities
- Represent your school and community

Our Mission

Reduce the level of underage drinking and marijuana use among youth (6th to 12th grade) in McKinley Park

Youth Leadership Coalition

Offers a strong voice and a guiding force for all prevention efforts on issues of substance misuse that youth faces
