Gambling Awareness Program

Overview: MAHA's Gambling Awareness Program (GAP) aims to expand gambling awareness and gambling addiction services in the state of Illinois. This program provides community outreach education, addiction screening and intervention, and linkage/referral for counseling and treatment.

GAP Goals/Activities:

- Increase knowledge of program gambling and gambling addiction through social media and workshops.
- Share information and resources through partnerships such as the 'Are You Really Winning?' Campaign.
- Engage community members in open discussion around gambling and gambling addiction.

Get involved:

- Help us collect data on gambling behavior and problem gambling in your community.
- Collaborate on community outreach and intervention best practices.

**Easy to bet. Too easy to lose. But
also easy to get help**
